

# Catechist Enrichment Event

## Enkindling Prayer—Deepening Communication with God and Others

Focus on the Examen’s potential to enrich your faith formation sessions, while learning to be attentive to the voice of God in your own heart.

This year’s Catechist Enrichment event, offered three times in different regions of the Diocese of Saginaw, is primarily for parish catechists and will explore the beautiful Examen prayer given to us from St. Ignatius of Loyola. Elizabeth Gengle will present each session and is the founder of “Movements of the Heart” Retreat Ministry, dedicated to the mission of teaching individuals how to understand the various movements of the human heart through the teachings of St. Ignatius of Loyola and St. John Paul II.
