

Prayer for Our Catholic Schools

Dear Jesus, Lord and Savior,
our greatest teacher.

We ask you to accompany us on our journey
in Catholic education.

Breathe the Spirit into your plans for us,
and give us courage to be steadfast.

Be the source of wisdom in our actions and decisions,
and provide the necessary resources for our schools
to spread your message of eternal life.

Be with our students and the families who sacrifice
to provide their children with a Catholic education.

Be with our staff and faculty;
bless them for their dedication
and commitment to this essential ministry.

Remind us at all times that education in the Faith
is essential to forming disciples
who will evangelize and transform
our families and communities.

Our Lady of the Assumption,
patroness of our diocese,
pray for us.

Amen.
