

BeFriender Ministry Information Night

March 16, 2020

7:00 pm

Center for Ministry

QUESTIONS:

Carole Watters, Coordinator

The ministry is a listening presence in the lives of those in the parish who are homebound or in a facility, that is structured to the person in need of assistance.

Come discover this way of visitation with one person that can change the life of another.

This is a time to answer your questions about BeFriender Ministry and to hear about the enrichment opportunities, the small group bonding experience within the group, and to hear of the support of each other as they pray and share in the ministry.
