

## **Stewardship Messages**

**June 2026**

**June 7, 2026**

**Most Holy Body and Blood of Christ (Corpus Christi)**

***“Because the loaf of bread is one, we, though many are one body,  
for we all partake of the one loaf.” – 1 Corinthians 10:17***

The message that we are all one body reminds us that we are to live as disciples of Christ and invite others to join us. Central to living as disciples is that we are to generously use our gifts from God in support of one another and God’s kingdom on earth.

**Eleventh Sunday in Ordinary Time**

***“As you go, make this proclamation:  
‘The kingdom of heaven is at hand.’” – Matthew 10:7***

The time to live as a disciple of Christ and to better use our God-given gifts is not next week or next month or whenever. The time is now. Ask God how you can better help to announce His kingdom in the world.

**Twelfth Sunday in Ordinary Time**

***“Everyone who acknowledges me before others  
I will acknowledge before my heavenly Father.” – Matthew 10:32***

How do others know that you are Catholic by observing your words and actions? Do you share your faith with others when situations present themselves? Pray to be a better witness to God and his Church through your interactions with others.

**Thirteenth Sunday in Ordinary Time**

***“... and whoever does not take up his cross  
and follow me is not worthy of me.” – Matthew 10:38***

Being a follower of Jesus is not always comfortable. Often it pushes us beyond comfort. But we are called to move past our own ideas of our limitations. Jesus will help us past our discomfort and help guide us to being worthy disciples.
