A Definition

Living Catholic means living a life based on the teachings of Jesus Christ and the Catholic faith:

Reflecting God's Love

Living a Countercultural Life

Practicing the Faith

Living a Life of Worship

Living a Life of Meaning

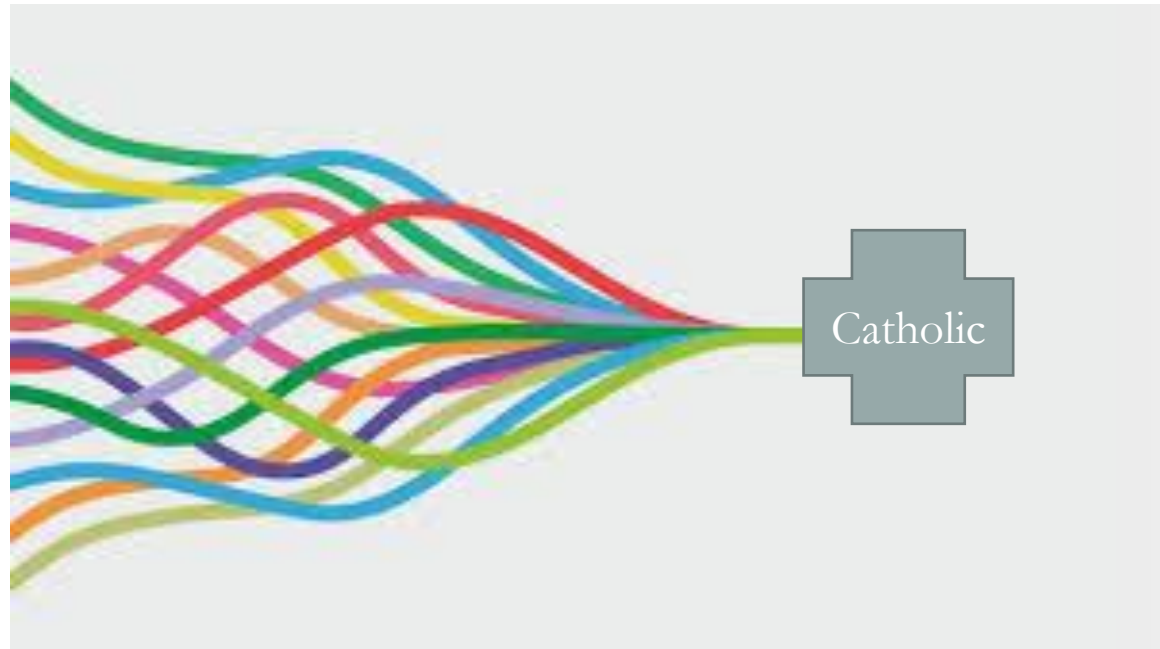

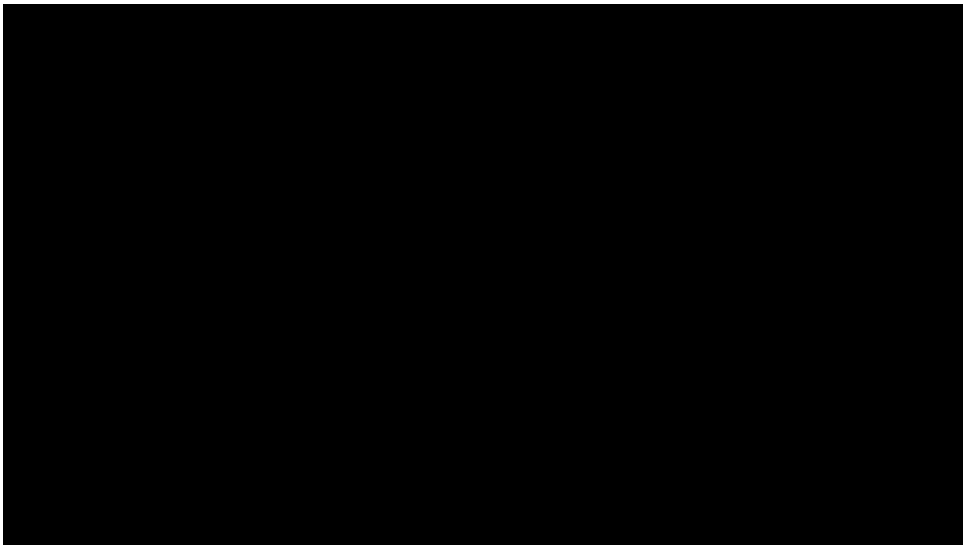

*Catholicism extends beyond
a set of beliefs; it
encompasses a way of life
that flows into every aspect of
a Catholic person's existence.
We are called to live
according to the teachings of
Jesus Christ, and to reflect
God's love, compassion,
justice, forgiveness, and
humility each day.*
