Have you ever felt uncomfortable speaking to others about your faith? Fear not...this day is for you! Saginaw is one stop on a 10 day North American tour featuring three international experts on how to share your faith in everyday life: Fr. John Bielawski and Michele Thompson from Plymouth, England (featured at the 2019 New Evangelization Summit and creators of “The Genesis Mission”) and Michael Dopp from Canada (founder of the New Evangelization Summit and “Relit”). Drawing on years of experience, they will convey in simple and humorous ways how to share the love of Jesus Christ with others, even if you’re nervous to do so.

Cost: \$10. Please note that Lunch is **NOT** provided. There are many nearby restaurants, or you may bring your own lunch.
