*“From the earliest days of the Church, immediately following the apostles’ acceptance of Christ’s missionary mandate, catechists have made and continue to make ‘an outstanding and absolutely necessary contribution to the spread of the faith and the Church by their great work.’”* (National Directory for Catechesis, section 53)

It is a great privilege to be a Catholic School teacher or a catechist; to participate in Jesus’ missionary mandate in such a clear way. This role also spurs in us the desire to continue to grow in our faith and to deepen and broaden our own discipleship. In the morning portion of this session, we will pray together and explore Jesus’ missionary mandate *and* what it means for us today as catechists in the parishes and Catholic schools of the Diocese of Saginaw.

In the afternoon, we will cover the basics of being a catechist and explore the resources and techniques available to help launch you into this new adventure with Jesus and his young disciples. Catholic School teachers will have the opportunity to reflect on enhancing Catholic identity, regardless of subject.
